Wimbledon Estate agents, Brinkley's big push pays off.

Following a great start to the year, Brinkley's Estate Agents, which has branches in Putney, Wimbledon Hill and Wimbledon Park, is well on its way to achieving its goal.

Brinkleys has had an impressive start to 2011, which lead to shortage of properties. So, the company went on the offensive to build up its portfolio. So far, it seems to be working as the company has gained a substantial amount of new instructions from sellers and landlords alike.

"As far as we are concerned, the 'post New Year rush' seems set to continue," said Brinkley's, CEO, Robert Brinkley. "Rental properties are not staying on the books for long; sometimes less than a day and sales properties are also being snapped up quickly", he continued.
