Brinkley's is doing something right.

Brinkley's Estate Agents, has branches in Putney, Wimbledon Hill and Wimbledon Park, and is clearly the company to talk to about sales and lettings after taking on no less than 15 new instructions, this week...and it's only Wednesday!

The National Association of Estate Agents (NAEA) said yesterday that a poll of estate agents revealed an upward trend in the first two weeks of January and Brinkley's Estate Agents

"Despite the upbeat start to 2011, the increase in interest and new sales and lettings instructions in Putney, Southfields and Wimbledon has come as a bit of a surprise", said Robert Brinkley, MD of Brinkley's Estate Agents. "That said, we do offer great rates and service."
