Wimbledon estate agents, Brinkley's has a bumper month

Brinkley's Estate Agents, which has branches in Putney, Wimbledon Hill and Wimbledon Park, says that March has been a bumper month for new instructions.

Robert Brinkley, CEO of Brinkley's Estate Agents said, "The amount of new property instructions, for sale and rent, in March increased by almost 50 per cent over February's figures. That shows that the market is still buoyant in SW London, which is good news for everyone".
